My deepest condolences to dear family and friends on your sad loss. I share your sorrow; Linda and I worked together many years ago at Ford. I still cherish the memories of laughter together. She was charismatic, strong, sweet, and so funny! If she loved you, you knew it. Blessings to all of you. Her spirit soared on earth - I have no doubt she has been welcomed by the angels into paradise with our Lord!

My heart and sympathy is with the Wilkerson and Clement Family. I'm still trying to process all of this as I know that we all are. She was just a beautiful woman and a beautiful soul! If you ever got the chance to meet her she would have left an imprint on your heart and soul. I feel so thankful and blessed that God introduced me to this beautiful and heartfelt friend. Gale was like a mother to me once my mom passed. We were friends for over 21 years. She may be gone but her memories will live forever in my heart! I pray that God look after each and everyone of you and help you through your transition and loss of our beautiful Gale!

Please accept my deepest heartfelt condolences to the Wilkerson-Clement Family.
While we were in High School, Gail was indeed the one person who had my attention always.

She would always make me laugh. Her smile was contagious. I always enjoyed her singing songs with her amazing voice. She will be a welcome addition to the heavenly choir.

I pray God gives her family peace through this difficult time.

She was very special and will be truly missed.

Rest in Peace,

My deepest condolences go out to the Wilkerson family. Gayle and I go back to junior highschool. She was a sister and a friend always there to advise and counsel. I can still remember her smile and hear her lighthearted laughter. She was a special soul, one that I will miss. I firmly believe that I will see her again for I believe that a spirit like hers will live on, and I will see that smile again in heaven.
My deepest prayers and condolences
