

## Edward Sutton

February 19, 1932 - June 25, 2021

The youngest of five children Edward Sutton Jr., affectionately known as Ed was born to Edward James and Jainie Thompson Sutton, on February 19th, 1932, in Wilmington, North Carolina. Ed, always being interested in athletics and having a love for numerous sports especially football allowed him to continue his education by receiving a full four-year athletic scholarship to Xavier University in New Orleans, Louisiana.

From 1968 through 1994 Edward served as the first appointed black Executive Director of Don Bosco Hall: Home for Boys. Due to his resolute service at Don Bosco honored him by dedicating one of their new acquisitions that serves as an intensive treatment assisted living facility for youth, in his name called Sutton House. In his last years he was a magnet for family in his infinite wisdom and humor and traveled with his wife, June and sustained his enjoyment of football games and westerns he grew fond of in childhood.

Mr. Edward Sutton made his transition on Friday June 25, 2021. Please encourage the Sutton family with words of love and condolence on our Tribute page.

“ To the Sutton Family, especially Mrs. Sutton and Mark, You have my deepest condolences on the passing of your husband and dad. I know he will be missed as I remember his wit and wisdom. Working at Don Bosco, I remember Mr. Sutton as a strong leader, how he, Mr. Lee Williams and the staff counseled and engaged the youngsters to become productive citizens, no matter their circumstances. Giving them the fatherly advice and checking that many lacked. And I also remember chatting to him about New Orleans since my grandparents were from there and his college days at Xavier University. He mentioned having been guided there when he got off track which I think helped him with his calling to impact the young men at Don Bosco to guide them in their lives to a better path. Another memory was when I believe his car that he won in a raffle, engine caught on fire! And I remember him speaking lovingly of you both and how proud he was of Mark. May God continue to strengthen, protect, guide, and comfort you during this challenging time. May His strong Arms of Healing and Love surround you both.  
Sincere Regards,

“ To Mark Sutton, Pat Baker-Simon & all of Uncle Ed's family and friends, we were so blessed to have him in our lives. He was so thoughtful, witty, kind and compassionate. I have so many great memories of hearing him tell stories and making us laugh. His strength helped me and so many people during times of sadness. He also brought so much joy to our lives. I was honored to have him and Aunt June as godparents. I miss them both so much. I am praying God will give us strength now in our time of grief. I find peace that he is with Aunt June and God in heaven and his suffering has ended. He is now blessed with eternal peace. Love,
