“ To Debra and Cynthia - We want to express our most Heartfelt and Sincere Condolences. We know that To be absent from the body is to be present with the Lord; and we know that she is rejoicing in the presence of the Lord right now. I just want to leave this with you; this is what sticks out about Aunt Lillie to me. She came to visit one summer, Her and Aunt Glenn. Kim and I, wanted to go to a party - we prepared ourselves and was dress and ready to go to the party; and Aunt Lillie (in her Aunt Lillie voice) said; "Naw, Them Girls Don't Need To Go To No Party." We were about 13 or 14 years old at the time, and we really wanted to go. Momma decided we could not go after that, and I sat on the porch mad at Aunt Lillie, because I thought to myself; that she came all the way from Detroit and she running things? LOL. But I praise God for her because at that night, at that particular party, someone started shooting, and some people got killed and injured. If it wasn't for here protesting and saying, we don't need to go to no party - we could've been hurt or worse. The next day when we found out what happened she said, (in her Aunt Lillie Voice) "See there, I told you." then she hugged me and gave me a candy bar. So she will be missed - but we know we will meet again... Love you all - if you need anything let us know!...

“ My Aunt Lillie,

Today I choose to celebrate the good times spent with my dear Aunt Lillie. God blessed our family with a wonderful aunt full of love and laughter. I could always count on walking away, with a smile on my face, after talking to her. I will miss our

conversations filled with advice, comfort and plenty of jokes. She was truly one of a kind.

Forever in my heart,

Love,

“ Deborah and Family: My prayers of strength and peace are sent to you and your family. Your mother was known to me as “Mom.” I have and will always cherish all the talks we had about life. She had an infectious smile and laugh. Her advice was golden, and her words were seeds of wisdom, which continue to live in all who knew her.

“ Aunt Lilly you have been apart of my life as far as I can remember, we always loved your smile, your warmth , your spirit and your love. When my mom was not around I always thought of you as a second mother the same wit, sense of humor the same spirit. You were loved then and will always be loved. The last time we spoke you smiled and laughed , I looked in your eyes and saw the same vibrant woman I have come to know and love. As I looked in your eyes I saw my mother looking back at me. Thank you for your love , kindness and wisdom. Deborah and Cynthia I always considered you as sisters instead of cousins. We all grew up together on the east side along with Dianne , Brenda, Micheal and Paula, it was all for one and one for all. Words can not express my feelings right now but I know we serve a GOD that heals broken hearts . I know that HE has his arms around all of you. I always ended our visits with see you again and I know one day we will . We Love you.

“ Deborah, I only saw your mom a few times, but she was always very pleasant. I even visited her at the rehab facility and, although she didn't remember me, she was cordial and kind. May your fond memories sustain you in the days to come.
