## “ THE OPEN GATE

There's an open gate at the end of the road  
Through which each must go alone,  
And there in a light we cannot see  
Our Father claims his own;  
Beyond the gate your loved one  
Finds happiness and rest.  
And there is comfort in the thought  
That a loving God knows best

“ Auntie Marian - I am beyond heartbroken with your loss. I have so many wonderful memories of you and Dad and Faye. To think that you are all now together brings some peace but we would have much rather had you here with us. Asking for God's grace and strength to help us with our heavy hearts. To her children you have my deepest sympathy. Thinking of you all, wishing you hope in the midst of this sorrow and comfort in the midst of the pain.

Ever Love, Kenya

“

My Dearest Nephew and Nieces

I pray that God will watch over you during this time of sorrow. You had the Best Mom who always put you all first. Now you have the Best Mom to serve as an Angel watching over you.

My Prayer also is that the Holy Spirit will guide and keep you and that you will continue to pray, talk to God, allow him to strengthen you and give you peace in the midst of this storm.

Always remember to look up when you go outside because there is an Angel watching over you. She is your Mom.

Remember, we love you and we are here for you.

Love  
Auntie Diane

Auntie you are going to be truly missed. A significant part of the family has gone on to be with God. I will never forget on Thanksgiving Day we were talking and you said, I don't need Anything. I knew you were very blessed but now I understand. You were preparing to be an Angel in Heaven. Love you very much and you will be in my heart forever. Your Great Niece Tanisha

“ Marian

My Dear Sister:

My heart is truly broken in pieces. I don't know what I am going to do now. Nobody to talk to in the afternoon and evening hours. I kept dialing your number yesterday; no answer because you answered the call of God and He needed you in Heaven. Your first day in Heaven say hello to everyone. I will try my best to watch over you son and daughters. I love you always, Marian. Rest In Peace.

“ Firstly let me express how deeply sorry I am for your loss. I met Johnnie (Marian) at YMCA in Livonia. We were in the water aerobics class & played volleyball in the pool with a group of friends. I have known her for almost two years. She had a wonderful laugh & was a joy to know. I was always happy to see her. She is & will continue to be greatly missed.

“ Marian, I have so many memories, working with you for almost 30 years was an experience and a great Joy. When I became Program manager, I remember being doubtful that I could do the Job, and everyone would quit, you said You can do this, and you will, If they quit, you will hire more. I remember getting sick and I had to walk to keep from getting heart failure, you meet me at northland everyday for about a year and half walking with me, we had some funny times together. And many others Memories. Live with your Savior JESUS in peace  
Love Nannie.

“ I met Johnnie (Marian) at the YMCA a few years ago. It took a while to get to know her but when we were friends, I'm so sorry to hear such bad news. I will miss her deeply we got to each other quite well, we would play volleyball all the time. My condolences to the family and a prayer for her!

“ Aunt Marion was beautiful inside and out. There are not enough words to express our loss. Her children and family were truly blessed by her having her love.
