“ Shelly B I am going to miss you so much we have had so many good times together especially our Atlanta trip and the cruise I know that you were Ilene's ride or die but you know that you were a part of our family and our extended family forever and for always. Rest in paradise little Sis.

“ May the pain of your “Loved” one, Shelly ease in the coming days. May your “Memories” fill your heart with “Joy”, “Forever And A Day”! Nel B.

“ Memories is what we have to keep our loved ones alive. For many,many years we did everything together. We took our moms out every other week. On one of those weeks we took them on a 1 day trip to Atlantic City. They were so happy and that was the start of my moms world traveling. We bowled with your mom. Wow, I'm going to truly miss you. Until we meet again my sister/friend, take care of the rest of the family.

Love you
Ilene

“ We had a group of fellow teammates, Shelly included, who use to party every Friday after work. We had such fun partying at the Pink Panther. Although Shelly was a freshie in high school when I was a senior, she was loads of fun to socialize with especially in music class. I will always remember your smile. Rest peacefully.
