“ Starlet was my beloved best friend, big sister, and sorority sister. We met at Xavier University in New Orleans, LA and remained connected over 36 years. I will always cherish the fond memories of my dear friend and sister. She was the proud aunt to my children (Amanda and Jordan) and their children (Lenox and Jordan II). I can honestly tell you that she loved and admired them, especially my daughter Amanda and they loved her. My thoughts and prayers are with the family and I know now that I have gained another angel to watch over me. May her soul and the souls of the faithfully departed, rest in peace. Rest in Heavenly peace my sister, until we are reunited.

“ My Dearest Cousins, Rita, Alma, Lynett & family:
We were saddened of the News about Starlett, our eyes filled w/tears, our hearts/heavy, and a link now missing from our family chain. As kids, we played together and had sleep-overs, as adults, she directed my wedding. Starlett was talented, out-going, loved to travel, and had a hardy-laugh! She was just fun to be around. Starlett has left her earthly home and taken her new residence in Heaven and we who believe in Jesus as she did, will see her again in that Heavenly place that God has prepared for all his believers...until then..she will be missed, until we all meet together again as a BIG FAMILY. Love and Prayers,
Your cousins, Shelia and Gerald Overall

“ As a cousin and a former co-worker, Starlett, with her upright stride, and her knowing eyes could just crack a smile and say so much to you. She made you feel warmth, with, love all at once. This because it was came from the inside. Praises be to The Most High for gifting us with her and her knowing she was a child of his. To my cousins, Rita, Alma, Lynette and all , I pray for comfort, strength, guidance and power of the beautiful memories of our times with her to give us a measure of balance and peace.
