“ I have many memories of this caring and loving man. He adopted me into the family and treated me like a daughter. I will remember your 58th Mens day sermon and how well you did and how sharp you were looking. You will be missed "Dad" Davenport. Love you Linda A.

It was honor being your niece here on earth. I just want to say Thank you for take time out your life to spend with me. Because my dad never took the time to do so. “ Dear Mr. Davenport,

Never in a million years did we think this would be the way we would say goodbye. God has blessed us over the last 25 years with an amazing neighbor, grandfather and father. You are the epitome of a King. You personify what it meant to be an honorable and respectable man. You were a role model and you taught us how to be classy young women with standards and self respect. You watched us grow up from across the street and we truly hope we made you proud every single year. From picking us up from school to celebrating birthdays, to making sure you safely made it in the house every night, to watching you leave for doctor's appointments, to celebrating you at church, and cooking you dinner and bringing you ice cream; you were a huge part of our lives. You and Mrs. Davenport loved us and looked after us like we were your own. We are forever grateful to you and you will forever live in our hearts. We will miss you greatly, but we know how much you missed your wife and are at peace knowing you two are reunited. Rest in eternal peace. We love you immensely.

Love always and forever,

The Girls Across The Street
