“ *I worked with Abner for many years. He was always very nice and would give the best advice on how to deal with the City and how to prepare for retirement Your family has my sincerest condolences and prayers. Rest up Abner.*

“ *When I was promoted to Shift Supervisor, Abner on several occasions took me downtown to Fire Headquarters to attend short meetings with the Fire Commissioner or Deputy Fire Commissioners. I also attended a couple of Chiefs meetings at the Training Academy. I found the experiences valuable for later in my career; I always appreciated that. My deepest sympathy, thoughts and prayers to the Garrett Family.*
