“ I lived in the same building with him for 3 and a half years, I called him AA and we were truly friends. We talked while he was in rehab and when he came home for the last time I cooked him a dinner. Right after that I went into the hospital, he told me to make sure I let him know when I got back, he passed the next morning after I got back. I had told him earlier that I had did my DNA on Ancestry.Com and that my family came from Nigeria, he was so happy, he told me we must be Kin. He will truly be missed here at The Theresa Maxis Senior Apartments, he was truly a "Beacon Of Light." RIP my dear friend...
