“ *Akeia was a wonderful person. While I mostly knew her in passing, her charisma was such that even in those seconds or few minutes in passing you felt like you had a lifelong friend in your presence. I have only met a few people that made me feel this way.*

I have been sad since learning of her passing, I will never forget her. To her family and her closer friends, I am so very sorry, you are not alone in your grieving.

“ *To the Family of Akeia,*

It is with a heavy heart to have heard about the passing of Akeia. Her passing seemed so unreal to me. I really liked Akeia from the first time I met her. Akeia had such an easy going personality and beautiful smile. She accomplished whatever she set out to do and that was good. In my eyes she seemed to never let anyone or anything get her riled and I admired that about her. She took things in stride and did what had to be done. Akeia was very focused and a likeable person.

I send my love and prayers that the days ahead will bring added strength and sustain you as this chapter in life comes to a close. May your broken hearts be healed and your grieving spirit be comforted and that the peace of God, which passeth all understanding, keep your hearts and minds through Christ Jesus.

“ I’ve had the pleasure of knowing the Conner-Hyman family over 40 years. I will always remember Akeia from a little girl growing up to sophisticated professional woman who loved her profession, her family and her beloved dogs, Niko and Nasir. Akeia shared a special relationship with her Mom, Sarah shopping; I remember the two of them buying name brands that I never heard of. She also had a very close bond with her sisters as well.

I was very excited to visit Akeia with Sarah a few years ago in Philadelphia. She showed us a great time especially when she took us to a famous Philly Cheesesteak restaurant for my first original Philly cheesesteak sandwich.

I am so sorry she was taken from us so young and in the prime of her life and career with the IRS Criminal Investigation Divisions. My sincerest sympathies and condolences to her family. I will always remember Akeia.

“ It is with a very broken heart that I say good bye to Keia. From the moment I met here over 25 years ago I have felt her joyous energy and loved her infectious smile. With a sense of pride I have watched her rise as an admirable leader in Ci's ranks. It has been a sincere honor and privilege to count her as a friend. The world is a lot emptier without her life force. I express condolences to Veronica, Ms. Sarah and Keia's entire family. May God wrap His loving arms around you and continue to hold you hands I send love and blessings.

“ Akeia girl! I just want to express how glad I am to have known you for the past 3+ years, as I am your esthetician, which may not mean much to some people but I see you every 3-4 weeks for the past 3 years and I feel as we are as close as can be! I have loved EVERY single visit I've had with you. I've worked 3 different locations and you've followed me to each one. The most genuine, honest, loyal person anyone could ever know! ❤️ I promise you every word you've said to me has stuck. I will always miss you Akeia, and I truly am thankful for our friendship. My thoughts are with all the family and friends of Akeia.

“ My mind is still blown but I have to smile and reflect on the light Akeia spread around her. Even my Auntie Fran always asked about “Diva jr.” and wanted her to come visit. We both were always busy in IRS-CI but when we did connect, it was like we spoke yesterday. Rest In Peace Akeia. To Veronica, Ms. Sarah and the Hyman/Conner Family, my deepest condolences, you had such a bright star.

“ There aren't enough words to express exactly how great Akeia was, but she was everything that I ever wanted to be. I remember the first time that she walked into the Philadelphia Field Office, it felt like a quiet storm had entered the building, as we looked on in awe. Intelligent, poised (in her heels), and dressed to the nines, but she had a way about her that was so welcoming that she felt like family. Her heart was pure and she always brought out the best in me. I was so sad when I had to leave, but she made my time there so memorable.

My deepest condolences to her mom & sister. My time with Akeia was short, but she has made a great impact on me. I hope it comforts you to know that she was loved and respected, and her memory will live on with so many others. May she continue to rest in the arms of the Lord until we meet again.

“ We are deeply saddened by the passing of Akeia, a remarkable woman in so many respects. Joyful, intelligent, dedicated and beautiful (inside and out), who served admirably with IRS-CI and on our HIDTA's Executive Board in Philadelphia. We always looked forward to our Budget Committee meetings which she chaired because as dull as the business could be, Akeia would brighten the room with her smile and humor (and shoe selection!) Our hearts go out to her family and friends for the loss we share, but are comforted in knowing that she lives on in our fondest memories. May she be a peace for eternity.

“ *My sista!!! I would have never imagine writing this message and still wish I was as masterful as you with words. All I can say is you are my sista and I love you. From day one we connected and I saw you conquering the world. Your joyful spirit and laughter was truly contagious.*

So many memories. From Wheaton to DC, to Philly and back to DC, we thrived together. I still remember all of our morning conversations in Philly and we started the day talking about your favorite shoes from your work shoe calendar.

You brought so much love and joy not only to me but you adopted my family as well. Venus, Yakiri and Akobi sends their love.

Thoughts and prayers to your the family and my heartfelt condolences.

Please let us know if we can anything.

“ AKeia was one of my “friend gems”, those that you can talk with for hours, laugh until it hurts, talk about spirituality, politics, fashion, family and everything in between. She had an impeccable drive and dedication to her career and mostly everything she had a passion for. We all feel the void that she left, but find comfort in knowing know that her transition is to a place where she lives eternally at peace and that she will remain fervent in our memories.
Peace and Blessings Connor Family.

“ This has been such an unreal experience to know you are gone my friend. It is with a heavy heart that I send my condolences and most deepest sympathy to Veronica and the Conner family. I considered Akeia a true friend, she was so dedicated to her craft and sought excellence in all she did. Such an intelligent young lady ready to make changes for the good. She was full of life and spunky to be around. Seeing her grow within the agency, we knew it was in great hands with her coming behind those of us who retired.

Akeia was such a beautiful soul, thank you Lord for sharing her with us. I know she is with you resting in peace.

Love you my friend,

“ To the Conner/Hyman Family, I send my deepest and sincere condolences for the loss of Akeia. May God give you the peace and comfort needed to bring you through this heart-breaking time of sadness. I send healing prayers of comfort to you all.

Akeia was affectionately known by me as Queen. Admired by the way she wore her natural crown, her exuberate demeanor and how she carried herself with such dignity and honor in CI. She was an excellent leader. I still hear her infectious laugh (that makes me smile). Although, shorter than me (well shorter than most :), I looked up to her as she paved her way for us black women.

“ Akeia was once my Director in IRS/CI but became more of a friend as she went on to other sections. We frequently headed to the cafeteria to pick-up lunch together and had an opportunity to learn about each of our families. She was one of the most genuine, warm, and loving people I know...and that comedic side and laugh will truly be missed.

I recall her being so funny with such a joy of life, as well as an incredible work ethic and the smarts that I knew would make her progress very far in her career when I was her special agent in charge in Detroit. It was a joy to have worked with her, known her and to see how well she did. I am so sorry for your loss, as well as CI's loss. So young.*

“ I'm so very sorry for your loss! I met Akeia several years ago when she was an acting supervisor in Charlotte, NC. Us old crusty agents (yes I'm included), were tired and grumpy and gave management a hard time. Akeia came in full of life and a little spitfire. She didn't take anything off of us and appreciated our opinions and our input. I loved her! She came to celebrate Thanksgiving that year with my family and we all were so impressed and grateful to share the holiday with her. Tried to keep up with her over the years and was so proud of her accomplishments as I'm sure her family was as well. This world lost a good one. God bless her and those who loved her!
