“ *From Doni Owens
It Takes A Village*

You are a part of the fabric of my daughter's development. I was a working parent, she is an only child. While I worked you opened your ears, heart and home to her. She had many meals there. You taught her to cook and understand the Serenity Prayer. She became a part of your family and they all treated her like a member.

*Thank You, for the woman you are
Thank You for sharing your gifts of Love
Thank You for the memories*

Doni Owens - December 10, 2021 at 06:44 AM

“ *Dear, Sister I understand that I cannot take away your suffering, but I want you to know that I am here for you whenever you need a shoulder to cry on, an ear to listen with, or anything else you may need. Prayers for healing and comforting hugs are being sent your way. It is my sincere regret that you have suffered this loss.*

“ As I read the memories posted here, all that has been said here about my sweet sweet sister-in-law are my exact sentiments. Heaven loaned us the best. Alberta was indeed a earth angel ... the kindest person of all I have ever known.

“ My condolences and prayers are with the Davis family. Mama Davis was the most beautiful, sweetest, patient, and kind person I've ever met. I appreciate how she treated me as family and not just as a friend of her children. She was the best cook ever! Because of mama Davis I know how to make chili, meatloaf, and homemade pancakes. I know she is with our Heavenly Father. Her presence will truly be missed but her legacy lives on through her children and grandchildren.

“ *I was so blessed to begin my life with two of the kindest people that I have ever known. My father and my cousin Alberta. My first lovingly best friend whom I shared all my secrets. “ I never had the honor of meeting her personally, but i know her son. What a kind, compassionate and loving man he is. A son is a direct reflection of a mothers love. I just know shes in the arms of the Savior. I know her family will miss her, but I can think of no better place to be. Praying Lawrence for your comfort and peace during this time. God bless you all.

“ Auntie Bert,

Thank you for your consistent kindness, showing us the importance of the family unit and satisfying so many bellies with the food prepared from your heart and soul. The strength that you constantly showed by exhibiting your kindness regardless of your fight is beyond admirable. You had such a beautiful soul that will continue to live in all of those that you touched. Rest well and may God continue to Bless your soul. Fly high Auntie. Love you always.

“ Auntie Berta,

If anybody made it to heaven, I know you did! I rejoice in knowing that you are with our good Father and no longer in pain. Still, it's so hard hard to say goodbye. So, I won't say goodbye. I will say, see you when I get there.

Thank you for so many loving memories. Thank you for being so sweet. Thank you for being a beautiful model of patience and kindness. Thank you for all the delicious food.

*I love you always,
Shawnie*
