“ My heart is broken! I remember the day you were born and brought so much joy to your big Sister Lana! She was so happy to have a little Sister and her first Sibling! I took her to the hospital to see you and she wanted to take you home! However you would come visit us on “Oakman” and we enjoyed you so much! Love you Alex! Forever will be in my heart’❤️

Love your other Mom....aka Auntie Karla!

“ Hello to Alex loved ones, my deepest condolences of such a phenomenal, wonderful person like Alex. I met her while playing AAU basketball ball and we grew a friendship. She was such a light spirit. So comical and educated!! Alex you will be missed deeply by all, may your spirit start among us!

“ We send our deepest condolences and prayers to you all at this time. I remember Alex as a vibrant and energetic young child. My daughter remembers her as "the athletic one." She touched many lives and though we didn't know her well, we are grateful to have met her. We're praying for the peace of God to sustain you all during this time. Sending so much love to you all. From Christallin, (Alana's cousin,) Candallin, and Jim Smith.
