“ Words can never capture our true feelings, or epitomize our most sincere thoughts. although in our spirits we understand the word of God, so we know that there is a time for everything. a time to be born and sadly, a time to die, but understanding that life and death are both a part of God's plan, so somewhere in our understanding we find a way to say goodbye. To understand how much I sincerely love you, is to know how much pain I am in right now!!! Maan I love the mess out you, and I know that it is out of selfishness that I wish you were still here, but I truly understand, so rest easy now and forever. Instead of goodbye..... I Love you.

Alfred, you were always there whenever I needed an ear, a dollar, or support of a decision. We were so very Blessed that God saw fit to place you in our lives for an entire lifetime, it was selfish of me to think He would not want you back.

You will always be missed, Your Sister, Kim
