“ *Gammie, you were a wonderful person and a beautiful soul. Our family was blessed to have you as our Gammie, as well. You were witty. You were full of abundant love. May you rest well. Love, Jerome, Sheila, Veronica, Jerome and Cameron Simpson.*

“ Gammie you are a part of my earliest and fondest memories! You've been everything a grandmother could possibly be and then some! Whether it was taking me for my first Burger King Whopper when I couldn't hold even with two hands or taking me watching endless Kung Fu movies at the Fox Theater (when it was a movie theater, smile). You also watched Monday Night Football with me when I barely knew what Football was (smile). You also created similar treasured memories for each of my children, and anyone you met.

You have me very well prepared (also knowing Jesus Christ as my Lord and Savior) for this time where you have gone to be with the Lord! I'm so grateful God graced you with 95 years here, and know that we'll continue our joyful adventures in the presence of God in heaven when the time comes! I love you and thank God for you!

Your grandson,

Kenneth

“ I will forever remember my first time meeting Gammie in her apartment. Sherry had just walked off for moment and Gammie winked at me as she told me that Sherry just needed a good guy in her life. I winked back at Gammie and informed her that I felt I was that guy and that I one day would be her grandson if things worked according to my plans. As time would reveal, Sherry became my wife and the rest is history...Now my Angel/Sherry and Gammie both can intercede for our family until we meet again in Glory:-)!! May you both R.I.H. Darryl
