Al, though I knew your family as a youngster coming up, I didn't have a chance to personally meet you until adulthood. it was an awesome meeting, which took place at Bakers Keyboard Lounge, and we had to laugh as you referred to my sister by her nickname, rather than her given name. Anyway, I've cherished not only your music even prior to our meeting (and will continue to do so), but also our friendship.

God Bless you my friend, and may you now rest in the peace that only comes from above!

Much love, Duane

“ *May the memories of your loved one - Al McKenzie ,
of happy times,
of joyful smiles,
of hearty laughter,
of caring words,
his ministry of songs and music
help you through this sorrowful time.*

*Whatever is true, whatever is noble,
whatever is right, whatever is pure,
whatever is lovely, whatever is
admirable-if anything is excellent or
praiseworthy-think about such things.
