

## Anderson Evans Jr.

June 12, 1943 - January 21, 2024

Anderson “Andy” Evans Jr. was born to the union of the late Anderson Evans Sr., and late Louise Calloway-Rivers in Lynch Kentucky on June 12, 1943; his brother, Muhammad Akil and sister Emma predeceased him in death.

Anderson accepted Jesus Christ as his Lord and Savior and maintained his faith throughout his life. He graduated from Detroit’s Eastside Barbour Jr. High School and Eastern High School. He delivered newspapers and became the manager of his route- he learned that being an entrepreneur provided financial and independent freedoms which charted his course to becoming a successful businessman. While at Eastern HS, Anderson met his childhood sweetheart, Joyce Dooley. Joyce enlisted in the US Air Force, Anderson moved to New York and joined the New York Police Department (NYPD) as a Police Officer. Anderson and Joyce were married, Kimberly, and Yolanda were born from their union.

Anderson loved to fish and was also a champion at many sports (basketball, paddle ball, tennis, swimming, biking, fishing, track, baseball and chess). He was very competitive, vividly creative, and prideful, but remained humble. His athleticism continued well into his senior years. He was the first in the family to receive a degree, having earned an Associate in Science degree in Criminal Justice from John Jay Criminal Justice College, a Bachelor of Clinical Hypnotherapy and subsequently becoming a certified Licensed Alcoholism

Counselor for the State of NY.

Anderson was a hardworking, dedicated, resourceful and an affluent man in his own right. After Anderson's retirement from NYPD (22 years), he worked as Director of NY State Office of Addiction Services and Supports providing counsel to police officers. He lived in the Albany, Troy and Cohoes areas for many years and retired for a second time approximately 20+ years later. He owned a laundromat and apartment buildings in his neighborhood. He took great pride in giving back to his community and appreciated helping and mentoring others.

Anderson was an inspiring and supportive father, and devoted grandfather. He was a conversationalist, having lived a full life, he had many intriguing stories and was eager to share his experiences with a friend. The octogenarian not without certain health issues, battled prostate cancer for 13+ years and finally agreed to move closer to his family and relocated in 2021 from Cohoes, NY to Waldorf, MD. Moving at a much slower pace, Anderson continued to stay busy and humbly appreciated being closer to his family.

He leaves to cherish in his memory his daughters, Kimberly Evans, Yolanda Evans Mitchell (Michael); five grand-children: Eric Jones II (Vanessa), Kajae Jones, his namesake, Robert Anderson Reed, Jazmyne Mitchell, and Mya Mitchell; devoted and beloved friend, Joyce Evans; loyal friend Bill Barnett; sisters Sylvia Rivers-Wortham, and Millicente Denise Pride; brothers Gregory, and Chico; his dogs Marley (Labrador) and Lucky (Hound) and many family and friends who will miss him dearly.

Please encourage the Evans family with words of Love and Encourage on this personal Tribute page created for Mr. Evans. to send flowers or to plant a tree in memory of: please visit our online Sympathy store.

“ Anderson first joined us at DAAA to carry the banner of EAP during its infancy, and got programs off the ground for law enforcement across the State. In this and other roles, his easy going nature, calm and humor won over other agencies and if it got a bit warm, helped them and us turn down the heat.

And what an athlete. One special memory: he and I met at Washington Park where he'd teach me paddleball (he was NYC's Master Paddleball Champ), while I'd introduce him to tennis. I recall his serve which I heard but never saw. Then he played tennis for the first time, whipped my butt and quickly made his mark on Albany's tennis community.

Such a good man, a gentleman who will be sorely missed by his family, and Jane and I send our prayers and sincere condolences to them. May "Andy" rest in peace. Dan Forget

“ Anderson and I traveled together on several occasions to complete our very different roles with OASAS. On one very long road trip into the North Country after a very early start, I was driving and fading fast. Anderson, in his firm but gentle voice, called my name. I was so happy to be traveling with him that day. He was a terrific guy. Condolences to his family. He will not be easily forgotten.

*Anderson was a good friend and my tennis partner for a number of years when we were both working at OASAS. We played about twice every week after work and sometimes we would grab a bite to eat after playing. Anderson was a competitive player and a true gentleman both on and off the tennis court. His six-foot figure covered every corner of the court and he was ambidextrous player - imagine forehand shots coming from both sides! In between games, Anderson would help you fix the racket strings, re-wrap the racket handle, and even let you borrow one of his rackets for a demo. Anderson had a great sense of humor and I heard some of the funniest stories from him about himself. I enjoyed the jokes, laughs, and playing tennis with Anderson. I will miss Anderson dearly.*
