“ I met this Wonderful couple at a job interview they held some years back. I knew right away that that Andre and wife were a true Power Couple! We often talked about building generational wealth, building a strong reliable team, the sacred meaning of love, marriage and commitment along with strong beliefs on faith in G_d! He was a wonderful man that loved his family very much. It was a absolute honor to work for them as they sat Me down and helped Me develop My business plan because they simply wanted Me to WIN! I extend My sincere condolences to His beautiful Wife, family friends grieving the loss of this kind soul. May You Rest In Respect

“ Andre, I'm just at a lost for words. From the day we met when you were 10 and I was 11, I had know idea how much your life would affect my life. We've had so many experiences both good and challenging. But from the age of 10/11 we were like twin brothers. I could write a book on our life experiences. Man, you were truly the brother I didn't have...we just understood one another and I know you're strong and you're free so fly high. Until we meet again, I love you brother!!!! Until we meet again!!!

“ Andre Von Jemison, you were a warrior and a man of incredible faith. Knowing you these past 9years and the depth of God's love you have demonstrated in bringing the lost to Christ and have the gospel preached to everyone that came across you were all I needed to be knitted and bounded with you. I will definitely miss my long discussions of Bible topics and prayers with you. You were a good and lovely brother indeed! I thought according to our plans I would meet you in the coming year but alas God decided to call you home much earlier.

My greatest joy is that you are resting in the Lord.

Isaiah 57 vs 1-2

"Good people pass away; the godly often die before their time. But no one seems to care or wonder why. No one seems to understand that God is protecting them from the evil to come. For those who follow godly paths will rest in peace when they die".

I pray to God to protect and guide your family you left behind on the right path in their journey through life to be joined together with you at the end and you all shall live eternally in His presence.

We established a friendship!

“ Andre was always eager to know more about the Lord Jesus Christ. He and my husband would spend hours studying God's word the time variation not withstanding. Despite the challenge, his faith in the Lord was not shaken! I really admired your rugged faith! Continue to rest with your maker.
