“ *She was an absolute sweetheart and joy to be around. Angela was authentic and her smile was contagious. I'm so proud of her lifelong commitment to education, and advocacy. She was influential in introducing me to the DFT Retirees and gain their support, I will always appreciate her service. She reached out to me recently, and said she would be back in touch soon. I was looking forward to catching up. I was in total shock when I got the news. My prayers and condolences to the family during this heartbreaking time. May God's peace be upon you.*

Job well done. Rest well Angela.
