“ I looked forward to our ladies table discussions while sharing a meal during the Labor Day weekend. I would sometimes bring my mom so that she could enjoy the quiet wit of your mom. We always laughed a lot! I remember being surprised at how sweet and sassy she could be! I'm so glad to have known Ms. Annie Hill. She was loved and will be missed 🙏

“ Hello Family,
My condolences, Aunt Ann was a phenomenal woman. I will always remember how kind and thoughtful she was. Her spirited and fun ways will always be cherished moments, she is gone, but not forgotten. I love you Aunt Ann, God Bless 🙏

Aunt Ann is gone but she will never be forgotten. In my mind, I can still see that house on Cameron. I still see her smiling face. I remember how she and my mom would reminisce about the adventures they had in the old days. I remember how she was a ride or die girl to my mom and her sisters and extremely loyal to her family. I'm gonna miss her smile and that infectious laugh. I will always love her. I can remember how she was with me and my siblings when mama passed away. If we had comedic moments, she laughed with us. If we felt down, she reminded us that mama was ok. I am grateful to have been a part of her family .
