“ *Dear Diane, Harding & Trey,*

I offer my heartfelt condolences to you, your family and friends during this very sad time. What a beautiful warm spirit she was with an equally beautiful heart and smile. Albeit difficult, as you move forward in the days, months and years ahead, know that the Lord is with you. He will sustain you, along with those who love you, and loved her. We thank God for Mother Hollis and the wonderful legacy she leaves behind. My thoughts and prayers are with you now and always. May God bless you and keep you.

With love,

“ A little more than a week ago, I became incredibly moved when Diane told me that her mother was heard singing. After a period of no communication or no participation in just the basic efforts of life, Annie Hollis had found a song. I thought - My God! The core of this woman; her soul; the essence of Annie was still a presence engaging in something she loved. I found her lovely act of singing joyful, hopeful and incredibly inspirational. It feel like a gift from her and I will always remember her for it. Shirley

“ To Diane, Harding & Trey,

Your mother was a kind and sweet woman.
We were blessed to have known her and we know that she smiling down on you from heaven. She loved you dearly, but she earned her wings and she's at peace with joy with the Lord. Please know that we, too, love you with all our hearts and our prayers are with you. May God bless and comfort you.
