“ *My Deepest condolences to the family. Anniese is not only my friend but my sister! Ever since the day we met she was nothing but a ray of sunshine. 20+ years of friendship that I am thankful for. I'll never forget her saying "Always save my name in your phone as AAnniese because I want to be the first contact in your phone." It has stayed that way since the day we met. Her laugh and smile was so contagious, her energy was so infectious. I will forever miss my friend/sister.*
