“ *Tony, my friend of nearly 50 years; Thank God for him. A man after God's own heart, a lover of Jesus Christ. Not only was he a fisherman, but he was also a fisher of men, which seems only natural with him being as compassionate as he was, his level of encouragement, his non-judgmental attitude and him being a great talker and a great listener; a trusted confidant. We were blessed to have had a real mellow understanding, knowing that wherever we went, we had but to call on one another; I'm going to miss my friend's earthly presence. Rest well and congratulations on the robe and the crown.*

*Much Love,

“ *To the Family of Anthony (Tony) Gibson,*

On behalf of Tony’s Amway business family, we extend our deepest and most heartfelt condolences to you during this difficult time.

Tony was more than a business partner — he was a friend, a mentor, and a source of encouragement to so many. His kindness, integrity, and genuine care for others left a lasting impression on everyone who had the privilege of knowing him. He had a unique way of making people feel seen, valued, and believed in.

While his absence leaves a profound void, his legacy lives on through the lives he touched, the example he set, and the encouragement he freely gave. Tony’s impact will continue to be felt for years to come.

Please know that you are in our thoughts and prayers. We hope you find comfort in the love that surrounds you and in the many memories that will forever keep Tony close to your hearts.

With sincere sympathy and respect,

Al & Fran Hamilton
