“ Anthony Mixon you have shown me a love that I only dreamed of and didn't know exist until you. I love you with all my heart and will never love another as much as I loved you. I will miss our conversations and your funny wit, knowledge and undying loyalty and your competitive spirit will truly be missed. Your unwavering positive attitude along with what you called Fmagic (you see it you can achieve it) was 1 of your motos. I want to thank you again for being the best father role model for my kids and others you have come in contact with you are one of kind. Until we meet again Baby Lip Mixon ❤️💋.

“ We love you Anthony! Our condolences go out to your family and loved ones. We pray health and strength to them in this time of transition. I fondly remember and will never forget Anthony lovingly and adamantly saying the phrase “you've got to renew your mind” and “it's a (your) mindset”! I'll always remember those wise words coming from him. Romans 12: 1-2.

*I met Tony when he was a young apprentice working with me and Rick Lockman. He was a decent man with intelligence, humor, and sense of pride in his work. He took things seriously and always tried his hardest to do the right thing. I am proud to call him my brother, and wish his family comfort and understanding during this difficult transition. God's peace.*
