*Praise God!*

*Cousin Anthony you were an inspiration to me and my younger Siblings. You were always loved and talked about by the family. Nothing but good things. From Football playing years, Family and Business. I can never remember a harsh word ever spoken about you or your family. We thank you Sir for your excellent example you set for our whole family with over 60 years of Marriage, Love and Devotion. We Salute you, and you will be sincerely missed. Our Condolences to the Rice family. Mrs. Elaine, our hearts go out to you for your many years of support, love and devotion to cousin Anthony and your children. May our good Lord Jesus Christ bless your family and give you peace and calm thru this storm. RIP 'BRONCO' and continue to run Touchdowns in Heaven, we all cheering you on...*

*Alfred Jr. and the Bowman family!*

*Blessings, Love and Peace everyone 🙏❤️🙏*

“ I'm a long time friend of the Family. It has been an absolute pleasure growing up with and knowing the Rice & Harris Families for many years. Our two families together have SO many great memories. Anthony Rice, Sr. & Elaine were the perfect match with a love that has lasted a lifetime, raising an amazing family of their own together. Always loved & admired, Tony had the most infectious laugh and made so many of us laugh. He was a "good" man and a good friend. My heart, thoughts and prayers go out to all of the Family. Tony will be missed dearly, but, loved forever and never forgotten. I am So very sorry for your/our loss. However, may we all find comfort in knowing that he was blessed to live a long and happy life and is now resting in peace in the arms of our Lord & Savior, JESUS CHRIST forevermore in Paradise. May this knowledge comfort your/our hearts. I'm sending all my love & blessings to all of Tony's beloved family and friends with mine & my family's deepest sympathy. GOD bless his precious soul. God bless and strengthen us all. You are in my prayers!! Peace & Love ..Helen Simmons

I Thank God I have been part of many wonderful memories with you and “E”. I will truly miss that unique laughter of yours.
