“ ..condolences, to the Rodgers family. As a close friend of his dear sister Loretta, I knew of Tony as an accomplished, hard working and God-fearing young man. He loved his three sons with all of his heart. He adored his siblings. He lived a life we all yearn to live. Tony is with our Lord, and may God grant his family and friends, peace and understanding.

“ Worked with Tony for many years in Southfield. Truly a Gentle~man. Gracious, kind and compassionate. A pleasure to have as a co-worker but more importantly to call a friend. Gone now but never will be forgotten. Godspeed in your eternal journey.

“ I have only had the pleasure of knowing and working with Anthony (Tony) for the last year and a half. It only took a couple of days to realize Tony was a special person. His genuine nature and demeanor was a breath of fresh air. I will always remember his one of a kind smile that he would share as he went out of his way to say hello and make time to have a conversation. I will truly miss him. My thoughts and prayers for comfort go to Tony's family during this very difficult time.

I've known Tony for about five years. We worked together at the courthouse. He became a very good friend and I loved him like a brother. I looked forward to seeing him and speaking to him about many things, but primarily boxing. He was my boxing buddy and I hoped that one day I would be able to watch a boxing match in person. I will miss him dearly. When he was dealing with the issue with his foot I prayed for him every day and I will continue to pray for his family. My deepest sympathies to his family and loved ones. May his memory be eternal.

Tony, my friend, it was a privilege to work with you. You were the consummate professional while working the front desk at SFLD PD. You really tried to help people beyond what was required but did not suffer fools. Your eyerolls were epic when confronted by a totally absurd complaint. To say you will be missed is an understatement. My deepest condolences and prayers for the Rogers family. May loving memories ease your pain and heal your heart - great souls live on. Rest well, my friend.
