“ It is with hear broken sadness that I’m sending this condolence. I knew Mr. Rorie when he lived here in Camden SC and drove the school bus, we were coworkers and good friends.

I just heard today of his passing. Please except my (late) Condolences on behalf of myself, Kershaw County Transportation Depart, and the North Central Transportation Area - we loved Mr. Rorie, he was a kind and loving person. We enjoyed working with him and he always greeted us with his warm and caring smile. May God grant you His Peace and Loving Comfort.

“ We are so saddened by the passing of our cousin/friend Ant. We’re very grateful for all the happy memories of us gathering together for family, fun and food. You bring a smile to my face thinking about the time you designated our home for the family cookout. What a time, what a time we all had! The vacations together and just hanging out. Will never to be forgotten. But most of all your sweet smile and jokes. Don’t get in trouble up there by talking to much trash with the angels...

“ It is with an extremely heavy heart that I write this tribute to you. I am lost for words. I want to Thank You from the very bottom of my heart for simply ALWAYS being there for me. When my own father was not there, you were. I can't express how much gratitude I owe to you. You were the nicest, most genuine kind hearted man I have ever met. I can't remember a time in my childhood life that you ever lost your cool. Thank you for introducing me to Buddy's pizza on Friday nights and White Castle Hamburgers. I remember complaining that I had to iron your DOT yellow work shirts in the basement (sorry about that). I will miss the best fried chicken & macaroni and cheese ever! I still try to master it like you BUT there is no comparison. I'm so sorry this happened to you. I sent you a text on Darnell's birthday to see how you were doing. I should have known something was wrong when you didn't text back. You will be truly missed Tony. Your gentle, soft spoken voice and the miscellaneous text will be missed also. Thank you for EVERYTHING! I pray that you rest in Peace for Eternity! Tell my Mom, my Granny and Darnell I said Hello. I'm sure you were welcomed with opened arms. I love you! Always!
