Tony was a kind and thoughtful person. He was more like family than a co-worker. He was always willing to participate in any fundraising efforts in our department . He also shared a love of ballroom dancing and was a willing partner. He will be dearly missed.

*Rear well Tony. My sincere condolences and prayers to the family.
Love ,

I remember Tony as a young rookie who was always pick on by the whites in 11pct.but later on he became the teacher with respect.will be missed

Tony was my training Officer at #11. He kept me alert and on my toes. He made sure that I understood how to do the paperwork and how to properly conduct myself as a police officer. I Thank God that I had the opportunity recently to let him know how much I appreciated him. He will always be remembered. I pray for his family and hopefully one day we will meet again. May The blessings of The Lord bring peace and comfort to the entire Stevenson family.

“ He was my big brother although our family told me he was my uncle...Tony was my very first coach who taught me how to catch...throw and run as a 7-year-old on a 12 and under baseball team...he coached me again in the 7th and 8th grade... he taught me to ride a motorcycle...he talked to me about life more than my father (his brother)...he was my instructor in the police academy who taught me to drive and gave me my first salute...he never missed the chance to smirk when I messed up but he always told me how proud he was of me...Just damn Unc...

Until we meet again Unc

“ *Anthony was a joy to know...he would always come to the Ballroom classes at Hartford Mem. Baptist Church with a smile and a determination to learn. He would get better every class session and would come to every Ballroom Gala dressed to the nines ready to dance. We prayed for him while he was away from us. We now pray for the Family during this time of sorrow. Vincent Tucker- Trustee and Ballroom Instructor*
