“ *Ardene and I have been best friends for nearly seventy years. We meet in kindergarten at 4 1/2 years old and our birthdays are only three days apart. We shared innumerable beautiful memories that I will be able to recall and smile about. My love and prayers go out to the entire family..*

“ Auntie,
It's so hard to believe that you're gone. I can still hear the sound of your voice in my head. I remember when you used to comb my hair for school. I remember how you took me to work with you at Mc Donald's and to the radio station. I remember having my baby shower for my daughter at your home, and you giving me advice on motherhood.

I remember when I moved to Milwaukee, you helped me with a down payment for a car, and wouldn't let me pay you back. I could go on and on but my tears won't let me see what I'm writing. I love you and will never forget you! Rest in heaven.

*Love you,
Vanessa.*

“ *My deepest sympathy goes out to Lee and the family.*

Ardene was a blessing to me. It didn't take us long to go from co-workers to friends. I connected with her because of her mother wit and sneaky sense of humor. It was my trust of her that I selected Preston to be my financial advisor. I watched her struggle with back issues for a long time but rarely did she complain. She was always upbeat. I miss her, but thank God for the time he allowed me to have with her.
