“ Dear "Brother"

*Remembrance of home and the bond we all shared. My last chat with you was on your birthday and your laughter at my out of tune birthday greeting. May God guide you through the light and into the arms of those you have known and loved, that will welcome you into eternity. Blessings and Comfort to your dear sister Celestine "Sis", your Children, your kind Nephew and Niece, Jonathan and Jackie and for all of the Family as we pray for you, with love, as you start your new journey.*

*"Through tears I see those dusty roadways where we all walked and will never go again."*

“ *Paul we have been sister and brother all our lives, we loved each other, we have been close, we might not have seen each other all the time, but we knew we loved each other, it is so hard to see you gone, but Jesus is with me to help me through, without Jesus, it hurts so bad. All of us have to go, you will meet the rest of the family, tell all of them I love them. Your sister Celeste*
