“ *I Never Saw Your Wings*

How is it that I never saw your wings when you were here with me?

When you closed your eyes and soared to the Heavens I could hear the faint flutter of you wings as you left. Your body no longer on this side. Your spirit here eternally I see your halo shine. I close my eyes and see the multi-coloured wings surround me in my saddest moments and my happiest times.

Sister my angel God has given you your assignment always my sister forever my angel. You fly into my dreams and when I am asleep I feel your wings brush against my face wiping away the tears I shed since I can no longer hold you in my arms but in my heart.

You earned those wings dear sister and you will always be my angel eternal.

Rest in Peace Dear Sister.
