Hello everyone I'm Barbara jean Johnson son . I want to thank everyone for there comments. And words of encouragement to me, this is a very hard time for me and my sister Monique. Our mother will be truly missed. Barbara loved spending quality time and traveling with her oldest daughter and son. . She loved cooking holiday meals for her son and oldest daughter. And she would periodically visit with her other daughter and grandkids . Where she would have to obtain a drink or two due to the stress . She will always be in my heart, and with us . She loved teaching her granddaughters how to cook. And become young teenage adults. Rip mommy,see ya soon Boe
