“ Barbara was my everything. My sister, my friend, my support. She had a beautiful soul. I want to thank you for being you. I thank God for bringing you into my life. Your wisdom and Godliness brought me through so many challenges. Your faith was second to none. God knew I needed you. God had you to give me strength and much love. Through good days and bad days. Through laughter and prayer. You reminded me whose daughter I am. Everyday I would look forward to receiving your words and photos of inspiration. And every time we talked I'd call to pray with you to see how you were feeling and you'd turn the conversation back to me to make sure all was well. I'm going to miss talking to you but I'm standing on my faith that no matter what comes along we'll always be connected. I love you sister. Rest in God's arms. Jonice Crawford Butler.

“ Oh how sweet our beautiful Sister Barbara was. She was a woman of kindness and caring. You would call her up to see how she was doing and in the midst of her pain and suffering she is asking about how my family and I were doing. Her daily messages of hope and faith; her strength and courage; her positivity. But most importantly, her unshakable faith in her God. She was a disciple of God and now she is at peace with her Lord and Savior. She will be missed but oh what a legacy remains.

“ *Sending heartfelt prayers to Missy, Lynne, Edna, John, Pam, Sandy and their families. Barbs absence with her big personality will leave a void in our hearts that only she could fill! It's amazing how God purposefully brought us back together in Florida in our retirement to pick up where we left off in Michigan. I enjoyed our time so much and my days will be empty for a while. As much as I want my friend in the present, I know she is at peace with our Heavenly Father. I will carry you in my heart Barb to every place we planned to visit and didn't make it. Rest in Peace Friend.*

“ I used to serve as one of the ministers on staff at Mitcham Chapel many years ago. I got to know Ms. Barbara and the Garrison family, while I was there. Ms. Barbara was kind, supportive, honest, and loyal. She even stayed in touch with me years after and supported me when I opened my own church. She was a praying woman, who loved the Lord. We even kept in touch when she and the Garrison family lived in China for a couple of years and we continued to talk a little while after. She believed in community and being an anchor for those in need. Her presence and her love will be surely missed. I send many prayers to the Garrison family and their loved ones.

“ My sister friend. We've experienced a lot of days, dreams, hopes, laughs and tears together. I will forever cherish every precious memory. Right now I have a hole in my heart but I know you are free and that alone gives me peace. You fought a good fight and kept your faith until the end. I am praying for the family (my other family) for the peace of God to give us comfort that is beyond human understanding. I thank God for the time we had together. You will be greatly missed. ❤️❤️❤️
