“ *Barrett was an awesome man.... We worked together as a team in the Sheriff's Department, anything he needed regarding supplies, I made sure that he received it. That's what we do, he comes to me and I'll say... I got you Barrett!*

A great and humble man, I will always treasure our time together and say nothing but good things about you. You will be deeply missed and my deepest condolences to your family. May the God of Comfort, comfort your family during this time.

Love you Man!
