“ *I have been in her classes at the rec center for over 10 years. A group of us became friends. She always made me laugh and she tried to not laugh at us during class. She always reached out if I had to take a break and she would say I miss you. Well, I will miss you dearly my friend. Such a bright light in my life. My thoughts and prayers are with the family* ❤️. *Kris Juntunen*

“ To the family—we family in MS send our deepest luv, prayers & sincerest condolences during these difficult days!

My everlasting memory of Cousin Belinda is from when I was a little girl. Uncle Jimmie had just mown their backyard. When I saw Belinda in the back, I went back there to see what she was doing...she was EXERCISING! 😅 I joined her, & that's probably the only time I've EVER enjoyed exercising so much!

Going to miss my cousin, a person beautiful inside AND outside! 🙏

I've always felt a true sisterhood with you. And even though we didn't talk as much as we use to, you knew I loved you, my sister. My whole family loved you, especially my mom❤️. I'm going to miss you. 😭. I'm still in shock. Gone too soon but I know you are in the loving care of the Holy Father who created you. You will truly be missed. With love, Faye and June

Family, I was sad to hear of your loss of one so dear to your heart your mother. Hold on to your memories and the wisdom she shared with you. Belinda was a good person, with a kind spirit. May God bless and keep you.

God's peace be with you.
