“ *I knew Ms. Bernestine more than 70 years. Her daughter, Connie, was my best friend, and still is. She and my mother were also good friends. When my mother passed away in 2003, she put her arm around me and said, I'm going to be your mother now. She encouraged me, chastised me, laughed with me, and I loved her like a mother. My granddaughter and I will miss her homemade pumpkin pies and I miss our trips down by the Riverfront in the summer. She had a beautiful smile that will never be duplicated. I loved you just like a mother because you were truly just that, like a mother to me.*
