“ Kim, my deepest condolences to you and the rest of the family. I am so saddened to learn of your mom's passing, and to know that she will not make it to New York this summer, especially since you told me she was so looking forward to it. I was so looking forward to seeing her and you there. Take care and continued blessings. My thoughts and prayers are with you, this week especially, but in the coming days and weeks as well. --Strauss Moore Shiple (York, SC)
