I love this picture of our Mom, your Grandma. She was 16 years of age. Taken in Montgomery, Alabama. When I 1st saw this picture, I thought it was me. I wondered, "When had I taken this picture!". I recall you laughing Mom and saying. "it is me and not you Julia Ann!". I looked again and laughed along with. I see this picture today and I see your beauty, that great big heart ❤️ and smile of yours! You departed this life here Mom at 88 years of age. I was there holding you while my husband watched. until Ruby and Brianna arrived. You transitioned in our presence. Mom you will be missed and I love you too life 4ever and ever!
