“ Sending heartfelt condolences & love to the family of “Teenie” Such an amazing woman of class & wisdom. It was always a pleasure to share time and space wether it was the jazz concert or going to the fabric store or being at Bern’s lake house or the family & friends game night we always enjoyed seeing her beautiful smiling face - a ray of sunshine.

Sending lots of love & condolences to the family of "Teenie" The beauty of having amazing people in your life after they catch the morning train to the next spot is that you witness the greatness they gifted you. No longer in the same room, but you smile when you see what they've done, what they've said and how they showed up in life. Crossing paths with Teenie was a gift whether it was family game night or a jazz concert or a cookout at Bern's lake house it was such a pleasure to be around Teenie. Call her name, she will never be forgotten.

To my wife of 30 years with a heavy heart. Although we never had kids we raised so many of them. We were the old man and woman that had many of them. Our home was open to all of them. Yes we spoiled them from babies ... they would visit and never went back to their parents 😭😭😭😭😭. I don't know how I got the name PA PA but I guess they consider me daddy. We had all ages from birth to adulthood. I like to believe we influenced them to be successful in life. We were blessed to have them in our lives. We traveled our journey with love and understanding. I'm going to miss you and your laughter. Love you alwaysEarl

“ *It is with a heavy heart that I learned of the passing of Teenie. I had the privilege of traveling with her, and I will always remember her kindness, warmth, and the joy she brought when she was around. May we all cherish the beautiful memories we shared with her.*
