“ To “Aunt” Bev... you were one of my Mom’s closest and dearest friends. You were like an Aunt to “The Girls,” with Jamila proceeding you in your transition to eternal life, our love remains with you. You encouraged us to hope, to dream, to “try,” and to stay on “track, with an Aunt presence to us, Chucky, our “first brother,” you were a true friend and a sister to my Mom Hedda! Your entire Family (Mary Lucy, Mr. Sharp, Bonnie, etc.) is our family, and your love, quiet, but powerful strength..., disciplining and caring talks... let us know early who Beverly was and is! Bright and intelligent, creative and determined, patient and reliable, a quiet, strong, and “earthy” persona... your tenacity encourages us still today! I am so much better... we are so much better “Aunt Bev,” because of you. I pray that you didn’t hold it against me when you guys would visit and I couldn’t spend more time with you and “Chucky.” I promise to do better and keep my “little brother” even closer now. I have so many beautiful memories of you guys with us... visits from state-to-state. You were, (and are) the epitome of who (and what) a real friend is, and should be. Your Light will be missed! My condolences to the Family. From the (Aisha, Dwayne, Malika) Thompson-Dunlap, (Hedda) Taylor, (All) Sudduth, and (Lenox) Frazier Families... We Love You! 💜
