“ To my coworker, Mrs. Chrystal Jude and Family: I met your mom with you on that cold Saturday in September 2018 as we prepared to have our District Picnic. She came to help and have fun but the weather wasn't in our favor that day. With a warm smile she excused herself....then we met again as the two of you came to assist with the set up for our Holiday Dinner Dance. Thank you for allowing us to meet and have a few laughs with your mom.

We have been praying with you daily since February this year when you admitted your mother to the hospital. Daily we asked God to heal and give you strength we don't always understand the "what and why" but God will bring you a message to comfort your wondering mind soon.

I will continue to keep you and your family in prayer that the years of memories you will treasure in your hearts and mind will bring a smile and joy to each of your soul.

I am here, if you need to talk, for you have been a real soldier for a while.

Thank you for sharing your mom in our life journey.
