“ *My heart is very heavy. We shared over 53 years of life together. We had children together. Grandchildren and now a great grand child. I shared how much you meant to me over and over in your last days. We loved each other in our own way. You were a good, kind and loving individual for your family and friends. I wish that you would have let me be there for you in the end. You have a special place in my heart forever. Love Pat.*

“ *I am saddened by the passing of a family friend. My deepest sympathy to the family of Billy Erby. Our friendship was so very special. We enjoyed so many good times together which seems like just a few years ago. Although I haven't seen Billy in a long time, I still remember how blessed we were to know him. Rest In Peace, Billy.*

“ Just found out about Mr. Erby's passing and my heart is heavy. My deepest prayers go out to Audra and Keith and all of Mr. Erby's extended family and loved ones. I remember him so fondly as always the nicest, kindest friend of my parents. As a child, the Erby family would get together for countless gatherings and our family even vacationed together. I have wonderful memories of the friend he was to our family. Rest in peace Mr. Erby!

“ I know Billy from the Northland and Detroit Roller Wheels Skating Rinks. He was such a beautiful person. Always willing to help the skaters with move or a dance step. He taught me how to do the Cupid Shuffle on skates. Billy loved roller skating. We are missing him and feel as though we have lost a loved one. God will your Family the strength to endure. You are in my Prayers. Mable Ivory and Arthur Walton
