“ Hello. I am a mailman for the city of Birmingham and I delivered mail to the Roeper school where Bridghette worked. She was always so nice and pleasant to me. She was mild-mannered and possessed an understated, calmness to her, and always with a genuine, sweet smile. I have missed her since she has left us. May God Bless her, and her family. Phil Brabant

“ The service was beautiful, just as Bridghette was. As everyone shared, my memories with her were surrounding our children. One of the first, I was getting information at Roeper for my son. She said you are Jonathan's Mom and I was stunned. How did you know this? What did he or I do? LOL! She said I have a Jonathan too, so I always remember. I was so touched and we bonded over that from then on. She loved talking about her Jonathan and Erica, and later Charli.

There were other times, at basketball games, when I was going crazy about something. We were sitting together. I said "ok let me behave, it's not the Roeper way LOL!" She quickly told me "Girl be you, cheer how you want. We love it!" or something like that and joined right in. We laughed, talked and cheered for the rest of the game! We talked about her getting her Masters Degree and I urged her to go for the Lead in the College Prep Office, because the kids and parents needed her. Her organization, her love, her passion for them, and I told everyone who listened the same thing. She changed our experience at Roeper and many others, I'm sure. I was shocked to hear of her passing and it impacted me in ways I didn't expect. The service helped me with such beautiful tributes. I pray it will help the family, as well. This Angel will be missed and always loved. My prayers and condolences to Erica and Jonathan and the entire family.--Ayana Thomas (Jonathan Johnson)
