“ I love all of you and I mourn with you the passing of Bukika. Thank you for allowing me to participate in this wonderful tribute to a life well lived. Mother Teresa (ST. Teresa of Calcutta) said " a smile is a gift, a gift of love". " Every small act of love echoes through eternity" Saint John Paul II once stated. For all of us, only what is done with love will last. Bukika was truly a beautiful and amazing lady. Well done Bernard and Veda for rearing and lovingly caring for such a lovely and precious soul. It was an honor to learn more about my cousin. My love and prayers are with you.

“ The celebration of Bukika's life was wonderful. Bernard, it is alright to demonstrate your true feelings. To Bernard (Lorine) Veda (Ted) Kika impacted our lives also. Harry and I will always remember and respect her frankness and her friendliness. May peace be with you soon.

Your New Jersey family loves you and we're praying for you. I know the holidays will be difficult but God will comfort you in the days ahead. To be absent from the body is to be present with the Lord. Kika has no more worries, she's resting in the arms of our Saviour. Love always, Tanya*

“ My sister Bukika is a loving spirit, loving soul and my heroine. I love her dearly and will always cherish our times of laughter, talking, watching movies and listening to music. She was an independent person, who cared for her family, loved hard, and always made sure that others came before herself. She is GOD's own special Angel. I love you my darling sister.
