“ Byron was blessed to have wonderful family. And he blessed so many in return. Even though we did not hang much as we grew older, Byron saw me graduate from college and I saw him become a married man. Byron helped me grow out of corny, nerdy, small-town mindset with humor and real talk. Brooks was one of my favorite family members and I always treasured his pep talks.

“ Mr. Brooks was the best partner to have on the elective team during my time at Schulze. I will always remember how caring and entertaining he was! Our rooms were across the hall from each other and we both would always stop and check in with each other. When I went out for an injury, he was one of the first people to reach out and check on me. When I needed a buddy to help with a student, he was always laid back and extremely helpful. We laughed hard for those 2 years and really had a good time. I will always cherish that in my memory. I send many prayers and condolences to the family. May his spirit live on and comfort you during this time and evermore.

“ I remember the 1st day of Eddie O's. Meeting the family and watching our boys learn to love the game of basketball. Robert finally had a friend who was as big as he was and ridiculously athletic!! The rest was history! From there our families grew into a friendship that always centered around the boys and sports. Flag Football Championships with Genevieve, McCormick basketball and "Big Country"! We always enjoyed spending time with the Brooks! Byron, you will be missed dearly. We'll never forget you and the common bonds we always shared with Robert & Byron. "Hey Coach, how are you!? How's the family!?" You always kept it positive and kept it real! Thank you for being such a good friend. You and Melanie have done a bang up job with your kids. Rest easy B! The foundation is solid. YOU HAVE WON!! 🙏❤️👑
