“ I have known Camille all of my life(55 years). She is part of a friend group of six ladies that met at Saks Fifth Avenue, one of those ladies is my mom Jackie Larkins. This type of friendship is rare but they have always been there for one another through everything. Camille and Willie have been there for every one of my milestones of life; graduations, marriage, babies and my sons' graduations. I will always appreciate them being part of my village and helping me to become the woman I am now. Rest Well Camille you will be truly missed. Willie you and the family will continue to be in my prayers.
