“ I had the pleasure of working with Carita several times over the past several years. I always enjoyed sharing pictures stories of my daughter and her "grand- babies". Her humor kindness and positive attitude and energy, always evident and welcome, made seeing and working with her something to look forward to. Grateful to have known her. My thoughts continue to be with the family at this time.

“ My deepest condolences to Carita’s family. Carita will always have a special place in my heart. She was one of the most caring and supporting woman that I ever met. I remember your travels to Las Vegas and my visits to Arizona. Rest in peace. Love, Mareline Lee

“ To Andrew, Andrea, Jason, Brandon, Louise, and the entire Jackson family. There are no adequate words to describe Caritas's kind spirit, warmth, quiet confidence, and wisdom as well as her commitment, devotion, professionalism, patience, humor, and love. She and her many contributions were blessings for all of us in the Southfield - Lathrup community.

Her valuable friendship was priceless. She was a dear friend, coworker, and prayer partner. I will cherish the precious memories of raising our children alongside the Howards and many others as part of the village. My mind goes back to Eisenhower Elementary, Levey middle, and Southfield High School PTA, Holiday Shop, America Sings, School board meetings, Choir, Scouting, Marching Band, Band Camp Concessions, fundraisers, Senior All Night Parties, Proms, Commencements, Open Houses, Michigan, and Wayne State Universities.

We were Co-workers at Leonhard elementary. We shared so many special moments in life... Going out to dinner, Bridal Showers, Weddings, Baby Showers, and even the joys of being grandparents. You were even there for our 50th Wedding Anniversary Celebrations. I will miss your quiet confidence, strength, and lovely smile and how you raised and rolled your eyes to emphasize a point. But most of all, I will miss You!

“ I’m re-sharing a message I previously sent to Andrea. My heartfelt sympathy extends to the entire family. There aren’t adequate words to express my sympathy for you, because her loss feels unjust and unfair. Your Mom/Carita was beautiful inside and out. She stood tall in her convictions and grounded in her faith. She was a quiet storm that was kind and loving. She was also funny and candid. Although I’m sure a couple of her grey hairs belonged to me ☐...she rocked her salt and pepper locs with style and grace. She opened her heart to my family and quickly expanded ours. Her friendship with my Mom was beautiful and bountiful. Watching them navigate life together has been a master’s class in how to gain strength from your friends. I am so grateful for her life and love. She supported me through some of my toughest days and was always there for my biggest milestones. She poured love into me and has been an essential part of my growth. My heart hurts and I can only imagine the pain you are feeling. I will honor her legacy and always be here to support you and cheer you on during your biggest milestones. I’m lifting your family up and praying her beautiful memories will comfort you during this difficult time of transition. 🥺🙏💜
