“ *I will never forget the kid with the egg shaped head and the mind that was sharper than a butchers blade. My friend from Kindergarten was simply a joy to be around and I will never forget him and those twinkies.*

“ my life was transformed one sunny day when we met- I had no idea what a difference a day made...

a Renaissance man you definitely are (with ascots, poetry, mighty uru sticks & whiskey to prove it) thank you for showing me importance of community, mahjong, the Smiths, hand written letters & the magic of right now.

I'm so pleased that you found your match & true love with Camille, the pride of fatherhood with Kayla & the peace of living out the full breadth of your life vision- surrounded by deep love. You deserve nothing less dear friend.

I have been blessed to have encountered you in my journey, King. We lost touch but I'm so glad we reconnected & I got to hear about your world. I feel led - in honor of you -to speak more poetically, take more adventures & pour kindness (with open hearted acceptance) on every soul I meet. Thank you for how knowing you changed me, taught me the taste of expansive living & the power of your example

You live richly, vibrantly, passionately & courageously...I trust that you moved into the next realm with the same brave spirit...

In deep enduring gratitude & wishing you a sweet rest
