I have many cherished memories of Carla at work and after work. We started our journey together at the hospital. Her warmth, kindness and gentle spirit will be remembered forever.

“ *Lil Sis Carla,
Thank you for making our entire family happy with your kind ways. You made my brother the happiest he's ever been in his life. You helped raise Patrick's boys and you also raised two outstanding children of your own. You invited my mother into your home, and you cared for her over the years as she became sick. You and Patrick were a perfect pair and you were a perfect fit for our family. I love you Carla. You will be missed by many.*
