“ Carol was such a beautiful soul. She and her family are deeply missed here at The Meadows. Thank you for allowing us to be part of her life — she was truly a blessing, and her smile will always be missed in our halls.

“ To Wes & the entire Carrington family, of whom I was made to feel a part of - I met your mother through my husband and your longtime friend Mark. My first impression was " what a classy & elegant lady." She embraced me as one of the family. I will never forget her engaging smile, as though she knew I was in good hands and that I would always be a part of her extended family. Even though we seldom spoke or were in each other's presence, I knew I had another mother I could call on when needed. I was saddened to learn of her transition from the flesh, but encouraged to know that I would see her whenever I look at Wes & his offspring. I am grateful to have been in the presence of such a beautiful example of graceful strength and determination. May our heavenly father Yahweh continue to embrace you with His love & comfort...Elaine Colvin
