“ Auntie Carolyn will be greatly missed. She didnt concern herself with the thoughts and pressures of this world. She lived her life guided by her own beliefs.

In her pasing I just want to offer my family comfort in knowing, being absent from the body is to be present with the Lord. Auntie is no longer suffering or in pain. If you cry let them be tears of joy. Let us charge our hearts to not focus on the technicalities or superfical aspects of life. Lets enjoy and love one another while we still have the opportunity.

*Love always,
